

*"Plumbing has changed a lot since I started as a helper in 1984 with a plumbing company in Kerrville. I earned my Master's License when I was 21 and opened Reeh Plumbing in Fredericksburg in 1995. After working extensively all over the Hill Country, I'm really excited to now have an office in Kerrville. For me, it's almost like coming home. Thank you for allowing me into your businesses and your homes."*
